

Tenant Property PROTECTION®

We care about what you value!

With Tenant Property Protection, if you suffer a covered loss, you get full replacement cost with no deductible, and you don't have to jump through hoops or worry about loopholes that might deny you coverage.

Insurance can be complicated.

Tenant Property Protection makes it simple.

Not only are our plans simple for you, they're the best value as well. Our plans are better than relying on your homeowner's insurance. No Deductible. No depreciated value. No potential for a premium increase.

For pennies a day, you can have the best content protection money can buy.

Ask your storage facility manager about Tenant Property Protection and how you can make sure your storage unit comes with a little extra peace of mind.
